

Accessible Parking Committee Notes

Sub-Committee of Disabled Citizens, Inc.

Thompson Community Center on Lourdes

08/14/18 Meeting Notes

Attending: Jill Gretzinger, Joe Martin

- Joe reported that KFC on Wisconsin Avenue has finally fixed their parking lot so they are in compliance with handicapped parking rules. The City had sent them a letter and made sure the compliance issues were met after our committee reported them.
- Jill noted the letter went out to Doctors Park on Longview with the suggested improvements our group noted at our meeting at that location. We will allow time to remedy before checking back at that location.
- Joe will get an aerial view of Liberty Hall to determine if any changes have been made to that location or if we need to report them as we have sent a letter in the past.
- Joe asked about the Grand Meridian in Appleton. Our master log notes they are in compliance, Jill will check before the next meeting.
- Joe wants clarification on if the international blue sign will be acceptable in the state of Wisconsin soon. Jill will check with John Meissner as he is on a state committee pushing for this change.
- The letters the parking committee sends out notes we are a sub-committee of DCI. At what point should we start noting we are a sub-committee of the Fox Valley Advocacy Coalition? Our parking order also note this affiliation. Discussion topic for the next meeting.
- Next meeting will be Tuesday, September 11 at 10:30am at Easter Seals Wisconsin office.
